ACADEMIC POLICIES AND PROCEDURES

ACADEMIC HONESTY POLICY

Holy Cross College is committed to intellectual development and the pursuit of truth and knowledge. In that pursuit, all members of the community - students, faculty, staff and administrators - remain committed to honesty in all personal and professional activity related to the mission of the institution. As a Catholic community, faculty, staff, and students have a moral and ethical responsibility to uphold the principle of unquestioned honesty, and refrain from any activity or behavior that would suggest academic dishonesty and lack of personal integrity.

Students shall be honest in their academic work and shall support the honesty of others. They shall, moreover, guard against any appearance of dishonesty.

Each faculty member has the responsibility to refer to the college policy on academic honesty at the beginning of each course. Faculty shall foster the honesty of their students by conducting each course in such a way as to discourage cheating or plagiarism. Moreover, instructors are to investigate thoroughly any evidence of cheating in their classes.

Faculty members alleging or suspecting a violation of academic honesty are to conduct a conference with the student. Following the conference, if the student is found responsible for a violation of the academic honesty policy, the faculty member issues a commensurate sanction. The faculty member is to inform the student, Dean of Faculty, and Dean of Students in writing of the nature of the specific offense (including evidence) and the sanction within three (3) business days of the conference. The Dean of Students may then refer the case to a Conduct Board.

Appeals. Appeals of academic honesty decisions must be submitted in writing to the Dean of Faculty within three (3) working days of the original decision. Appeals must be based on at least one of the following considerations:

1. The discovery of substantial new information, unknown to the accused student at the time of the conference, which, if heard, would likely have changed the outcome of the proceeding.
2. The original conference had a substantial procedural defect that rendered the proceeding unfair.

Only appeals from the accused student will be considered. If more than one student is involved in an incident, each student must appeal separately.

The Academic Dean may deny the appeal or remand the decision back to the faculty member for further consideration. Decisions regarding appeals are final.

*"...In the full light of truth we live in God's sight and try to commend ourselves to everyone's good conscience."
2 Corinthians 4:2*

ACADEMIC STANDING

ACADEMIC HONORS LIST: A student receiving a semester grade point average of at least 3.50 on a minimum of twelve graded semester hours will be placed on the Academic Honors List. (Students enrolled in summer session must complete at least twelve semester hours between both summer sessions to be eligible for the Academic Honors List.)

GOOD STANDING: A student who has earned both a semester grade point average and a cumulative grade point average of 2.00 or better is considered to be in academic good standing.

PROBATION: A student may be placed on academic probation on admission to the college or if either the semester or cumulative grade point average is below 2.00. Students are required to meet with their Academic Advisors regularly throughout the semester. The records of students on probation are evaluated at the end of the semester to consider the advisability of continuing at Holy Cross College.

ACADEMIC DISMISSAL: In order to maintain the college's academic standards, Holy Cross College will dismiss students who do not demonstrate the capacity to complete the college's course of study. The following standards are used to determine whether a student will be dismissed for academic reasons:

1. A **freshman and sophomore** is *eligible* for dismissal if he or she has a semester grade point average below a 2.0 for two consecutive terms or a cumulative grade point average below a 2.0.
2. A **junior and senior** is *eligible* for dismissal if he or she has a one semester grade point average below a 2.0 or a cumulative grade point average below a 2.0.
3. If a student is dismissed for academic reasons, the student may submit a written appeal to the Academic Council stating the reason for the appeal. The Academic Council decides to grant or deny the appeal.

APPEAL POLICY OF A FINAL GRADE

A student may appeal a final course grade if he/she has sufficient reason to believe that the grade received was not an accurate reflection of the student's achievement of course objectives as outlined in the course syllabus. The following are the steps for appealing a final grade in a course:

1. The student must first discuss the assigned final grade with the professor in order to confirm or correct the assigned grade.
 - a. Should the professor choose to change the grade, he/she must follow the established grade change procedure.
 - b. Should the professor choose not to change the grade, the student may submit a written appeal to the Dean of Faculty.
2. Appeals of final grades must be submitted in writing to the Dean of Faculty within 30 days of the assignment of the given grade. Grade appeals must include a clear explanation of the following information:
 - a. The context and background of the original situation in the class that led to the grade that is being challenged.
 - b. The interactions, conversations, and clarifications between the student and the professor after the contested grade was posted.
 - c. The reason the student thinks the assigned grade is not consistent with the expectations and grading requirements for the course.
3. The Dean of Faculty will review the student's written appeal. If it meets the above requirements, the following steps will be taken:
 - a. The Dean of Faculty will forward the written appeal to an ad hoc committee of faculty to review the case and make an advisory recommendation to the Dean.
 - b. The professor who assigned the grade would be asked to submit his/her perspective on this situation to the Dean who will share it with the ad hoc committee.
4. The Dean of Faculty will review the recommendation of the ad hoc committee and the material provided by the student and the professor.

5. Within 10 working days of receiving the student's written appeal, the Dean of Faculty will render a decision and communicate the decision to the student, the professor and the Registrar.
6. Final appeals may be presented to the Senior Vice President only if it can be shown that one or both of the two following criteria are met:
 - a. There was a flaw in the manner in which the appeal process was implemented.
 - b. There is significant new and relevant information that was not available at the time the first appeal was evaluated, and, if considered, might change the outcome of the original grade appeal.

ASSOCIATE OF ARTS DEGREE

Holy Cross College offers the associate of arts degree to students who achieve the degree requirements set forth in the college catalog. Students pursuing the associate of arts degree must be admitted as degree-seeking students and should maintain good academic standing during their studies.

AUDITING CLASSES

Students in good academic standing may elect to audit courses. Audited courses do not count toward fulfilling degree requirements and are not included in the computation of grade point averages. The cost for auditing a course is the same as the cost for taking a course for credit. Students may change course registration from credit to audit or audit to credit only through the add/drop period indicated in the academic calendar.

AVERAGE COMPUTATION

Two grade point averages are computed for each student each semester: a semester grade point average and a cumulative grade point average. Courses numbered under 100 level are not included in the computation of averages.

The grade points (see GRADING SYSTEM) of the letter grades earned in each course are multiplied by the semester hours of credit per course to determine the quality points earned in the course. The sum of the quality points earned divided by the sum of the credit hours attempted during the semester determines the semester grade point average. The cumulative grade point average utilizes the total quality points earned divided by the total number of credit hours attempted.

All credit hours attempted to which grade points are assigned are included in the computation of averages. In addition to the credits and quality points earned at Holy Cross, credits and quality points earned in courses pursued at N.I.C.E. institutions are included in average computations. Credits earned at other institutions are considered as transferred credits and are not included in average computations.

BACHELOR OF ARTS DEGREE

Holy Cross College offers the bachelor of arts degree to students who complete the baccalaureate degree requirements set forth in the catalog. Some baccalaureate programs may have separate admissions procedures.

CLASS ATTENDANCE

The faculty and administration of Holy Cross College believe that attendance in courses is essential to academic success. As a result, faculty may consider attendance in determining course grades. It is the responsibility of each student to know and comply with the attendance policy for each course in which he/she is enrolled.

CLASSIFICATION OF STUDENTS

A student who has earned more than 30 credit hours is classified as a sophomore. A student who has fewer than 93 credits is classified as a junior. A student who has earned more than 93 credits is classified as a senior. A full-time student is one who is registered for 12 or more credits in a semester, and a part-time student is registered for fewer than 12 credits. A normal course load for full-time students is typically between 15 and 18 credit hours.

CLASSROOM CONDUCT

Student conduct is to reflect the values and traditions of Holy Cross College and the Brothers of Holy Cross. Though specific standards for conduct in the classroom are established and enforced by individual faculty members, all students should contribute to the positive learning environment in all classes and refrain from distracting behavior. Expected behaviors include, but are not limited to:

1. Prompt and regular attendance
2. Appropriate and respectful language
3. Refraining from side conversations
4. Disabling of all cell phones, personal alarms, pagers, etc.
5. Modest attire

*"Let us be concerned for one another, to help one another
to show love and to do good."*

Hebrews 10:24

CLEP (COLLEGE-LEVEL EXAMINATION PROGRAM)

A maximum of thirty semester hours may be earned through the subject examinations of the CLEP program. Credits will not be granted when a student has previously received credit in a comparable course. Double credit may not be earned for duplicating subject matter in the subject examinations. The tests may be taken prior to entry to Holy Cross or during the period of enrollment. A minimum score of 53 must be earned for credit to be awarded.

COURSE ADJUSTMENTS

The adding, dropping, or changing of class sections must be completed by the date indicated in the academic calendar. No courses may be added to or dropped from a class schedule after the first week of class.

COURSE NUMBERING SYSTEM

Courses numbered below 100 are remedial courses and are not given academic credit. Such courses are usually not transferable to other institutions. Courses numbered from 100 to 199 are designed as first-year courses. Courses numbered from 200-299 are considered sophomore courses, but first-year students may be admitted if course prerequisites have been satisfied. Courses numbered above 300 are upper-division courses. Some upper-division courses are open only to students admitted to certain major programs. Upper-division level electives are open to all students who have satisfied the appropriate prerequisites.

COURSE SELECTION

Class selections for the fall semester are made during the previous spring semester. Spring semester class selections are made during the fall semester. Each student is to meet with his/her academic advisor to review course selections and obtain consent to register for classes for the upcoming semester. The college reserves the authority to cancel a course if there is insufficient registration or for other valid reasons. Students will not be given permission to register for or enter classes after the drop/add period following the beginning of the semester.

CREDIT HOURS

The semester hour is the unit of credit. A semester hour of credit is given for satisfactory work for each fifty minutes of lecture per week for one semester. A minimum of one double-class period in a science is recorded as one semester hour of credit.

FINANCIAL AID

The financial aid program offers assistance to students demonstrating financial need. Financial aid may be in the form of scholarships, grants, loans, employment opportunity, or a combination of sources. Aid is available upon eligibility from the following sources:

- State of Indiana: scholarships and grants administered by the State Student Assistance Commission of Indiana, including the Frank O'Bannon Grant Programs (Higher Education Grant, Freedom of Choice Grant), 21st Century Scholars Program, Hoosier Scholarship Award, and benefits provided through Indiana Rehabilitation Services.
- Federal Aid Programs: Federal Pell Grant and Academic Competitiveness Grant, Federal Supplemental Education Opportunity Grant (FSEOG), Federal Work-Study (FWS), Federal Perkins Loan and the Federal Family Education
- Federal Family Education Loan Programs – Stafford and PLUS loans
- Holy Cross College and private educational grants.
- Holy Cross College is approved by the State of Indiana for the payment of Veteran's Benefits under Chapters 30, 31, 32, 35, and 106.

FINANCIAL AID ELIGIBILITY

Federal, State and Holy Cross financial aid, with the exception of the Unsubsidized Federal Stafford Loan Program, the PLUS Loan Program, Hoosier Scholarship Award and Holy Cross College merit aid are need-based programs. Financial need is determined through approved need analysis as provided by Congress. The college utilizes the Free Application for Federal Student Aid (FAFSA). Federal Regulations require all students applying for aid, including student loans, to have the results of the FAFSA application on file to be eligible for any aid.

HOW TO APPLY FOR FINANCIAL AID

- *State of Indiana Grants and Awards.* Indiana Grants and Awards are limited to Indiana residents. Application is by the FAFSA, which must be received by March 10 preceding the academic year of enrollment. The Title IV Code for Holy Cross College is 007263.
- *Federal Grants, Loans, Work-Study and Institutional Aid* - Students applying for financial aid should file the FAFSA form, and must indicate Holy Cross College, Notre Dame, IN, under the college Release section using the Title IV Code 007263.

The student will receive an acknowledgement from the federal processor via email and/or mail. As Holy Cross College performs 100% verification prior to the disbursement of any financial aid, all students are required to supply the Student Financial Services Office with tax forms and other required documents before any funds will be approved.

The Student Financial Services Office, after completing verification, will notify a student of the type and amount of aid only after the student has been accepted for admission to Holy Cross College.

Student Financial Aid Responsibilities. Student Financial Services strives to provide the most responsive and efficient service possible to students. To help achieve this end, students must be aware of their responsibilities regarding financial aid.

- Submit the FAFSA (Free Application for Federal Student Aid) prior to March 10th for the following academic year.
- Submit all completed, requested, and necessary verification documents in a timely manner (federal 1040's, W2's, and verification worksheet)
- Return all aid-related paperwork, such as loan request forms and master promissory notes, in a timely manner.
- Monitor your student account by using the portal via <https://www.sis.hcc-nd.edu> on a regular basis for any account activity or visit the business office pertaining to student account queries.
- Notify Student Financial Services as soon as you have any questions or concerns about aid.

Students have the right to cancel any portion of their Stafford and PLUS loans. If they wish to cancel their loan after funds have been disbursed, they must submit a request in writing accompanied by any loan disbursements they have received to the Office of Student Financial Aid within **14 days** from the date aid is disbursed to their account. Aid is usually disbursed right after the drop/add date during each semester. This disbursement can be monitored through a student's account online by using the portal via: <https://www.sis.hcc-nd.edu>. If you choose to make no changes, you are not required to contact the Office of Student Financial Aid.

In accordance with the Federal Refund Policy, students who completely withdraw from ALL their classes before completing 60% of the term, could owe a balance to Holy Cross College and/or their lender. The amount owed will be based on the calculation of return to Title IV.

In accordance with the Federal Return Policy, students must attend classes to continue receiving their loan funds. Failure to complete at least one course during the term could result in the student owing a refund of their loan funds to Holy Cross College and/or their lender. The amount owed will be based on the calculation of return to Title IV.

Satisfactory Academic Progress Criteria. The Higher Education Act of 1998 states that Federal Financial Aid recipients must maintain satisfactory progress (cumulative grade point average of 2.00 or better) in their course of study during their complete academic history at Holy Cross College.

Minimum Enrollment Requirements for Undergraduate Students. Full-time = at least twelve credit hours per semester. Three-quarter time = nine to eleven credit hours per semester. Half time = between six to eight credit hours per semester.

Minimum Satisfactory Academic Progress. Recipients of financial aid must satisfy both a qualitative and a quantitative component of academic progress.

To meet the qualitative component for standards of academic progress, the student must maintain a minimum cumulative grade point average of 2.0 each semester at Holy Cross College. Moreover, Federal regulations require that students have a "C" average after their second academic year. Any student who has total credit hours registered of 60 or more must have a cumulative grade point average of 2.00 or he/she will lose eligibility for all federal financial aid programs. If a student with less than a 2.00 cumulative grade point average has been readmitted to curriculum and financial aid eligibility due to mitigating circumstances, he/she will be considered to have a "C" average as long as he/she continues to have at least a 2.00 semester grade point average. This is to recognize the fact

that it may take a student more than one semester to raise his/her cumulative grade point average to 2.00. Students at Holy Cross College must have successfully completed at least 75% of all credits attempted each semester. Failure to meet this requirement will result in a warning. If the student continues to fail to complete course work, Financial Aid office will suspend financial aid eligibility. A student with a completion rate less 75% will receive a letter of warning.

To meet the quantitative component, the student must Federal regulations require a maximum time frame for completion of a degree that is not to exceed 150% of the normal requirements of that program. The Financial aid office will review student's eligibility at the end of each semester. If the student has attempted less than 150% of the course work at that time, he/she will be considered for Title IV aid for the following semester. If due to withdrawals, failed courses, etc., the student has exceeded the maximum number of attempted credits for his/her program, he/she will no longer be eligible for federal financial aid programs (grants or loans) for any future semester. For the purpose of determining a student's current status for the maximum time frame for completion only, the following criteria will be used in the evaluation of the student transcript, Remedial Course work - If after individual testing and evaluation a student is recommended to take non-credit remedial course work those courses may not be counted in the 150% maximum number of attempted credits based upon the individual circumstances of the student. Repeated Courses-If a student repeats a course, the course will count in the maximum number of attempted credits each time the course is taken.

Normally, students enrolling for a minimum full-time academic load are expected to complete their associate degree objective in not more than five (5) semesters or the equivalent. Federal financial assistance will be tendered by Holy Cross for a maximum of six (6) full-time semesters, or their equivalent. For a BA degree, Federal financial aid assistance will be tendered by Holy Cross College for a maximum of 12 semesters or 180 credits.

The half-time recipient's eligibility for both gift aid and self-help aid is used as a proportionate rate to that to be used if he or she were enrolled as a full-time student.

Financial Aid Probation. A student who has earned a cumulative grade point average of 2.00 (C) or better is considered to be in good standing and progress. Students who fail to meet the satisfactory academic progress requirements will be placed on Financial Aid Probation. These students WILL be eligible for financial assistance during the probation period.

Financial Aid Termination. Students who fail to meet the financial aid standards of progress by the end the probationary period will have their financial aid terminated. Termination means that a student cannot receive any form of Federal/State financial aid, including loans. Holy Cross College aid will not be offered to students who have been terminated.

Removal of Financial Aid Probation/Termination. Financial aid probation is removed by meeting the qualitative and quantitative standards of progress. Qualitative: raise the cumulative grade point average to a minimum of 2.00. Quantitative: must complete, during the probationary semester, sufficient credits to meet the enrollment status held at the end of the refund period.

A student who has been terminated from financial aid may be reinstated after at least one semester has passed. The student will be on Financial Aid Probation, but failure to achieve satisfactory standards of progress will result in permanent termination of financial aid at Holy Cross College. For additional information on financial aid/academic probation, visit our website at www.hcc-nd.edu. Select the *Prospective* or *Current Students* tab and then select *Financial Aid*.

Appeal Procedure for Mitigating Circumstances. The Director of Student Financial Services may make exceptions to the above policy for students experiencing mitigating personal circumstances. Such circumstances could include illness, full-time employment, change in objectives in course work, death of family member, returning students who have not been enrolled for a substantial period of time, or cases of special circumstances that are supported by recommendations of academic advisors or other persons acting in a similar capacity. Appeals must be made in writing to the Director of Student Financial Services.

Students who are on Academic Probation due to their grade point average may receive aid. If a student is Academically Dismissed, he or she will be considered ineligible for financial aid until readmitted through the Admissions Office (Tel: 574-239 8400). Appeals for readmission should be submitted to the Admissions Office.

Once readmitted, students may be eligible to receive one probationary period in which financial aid eligibility will continue. During the probationary period, students are required to meet the minimum grade point average 2.0. In addition, students must successfully complete a minimum of 75% of their cumulative courses attempted or registered. Failure to meet the defined minimum grade point average or credit requirements per semester will result in the loss of financial aid eligibility. Once eligibility is suspended, students will not be considered for aid until they have successfully completed 75% of the cumulative credits attempted and their grade point average is consistent with the requirements of the Retention Policy. Students put on probation for any period prior to their dismissal must meet all academic progress requirements as defined by the Student Financial Aid Progress Policy before financial aid eligibility will be reinstated.

GRADING SYSTEM

The following grade and grade point values are used for all courses:

GRADE	DESCRIPTION	POINTS
A	Excellent	4.0
A-		3.67
B+		3.33
B	Good	3.0
B-		2.67
C+		2.33
C	Satisfactory	2.0
C-	Usually not transferable	1.67
D	Pass; not transferable	1.0
F	Failure; No credit	0.0
I	Incomplete	0.0
AD	Audit	
S	Satisfactory	
U	Unsatisfactory	
W / WP	Withdraw with approval	
WF	Withdraw failing	0.0

Courses in which a grade of "F" or "WF" has been assigned are counted among the attempted semester hours and are computed into the grade-point average for the semester. Incomplete grades are granted only with the approval of the Dean of Faculty and are computed as "F." The "I" grade must be removed within 30 days or the final grade is recorded as "F". Courses in which the grades of "AD", "S", "W", and "WP" have been assigned are listed on the semester report but are not computed into the semester hours of grade point average.

MID-SEMESTER GRADES

N.I.C.E.

The Northern Indiana Consortium for Education (N.I.C.E.) consists of area institutions that have joined to share their educational strengths and facilities. In addition to Holy Cross College, consortium members include Bethel College,

Goshen College, Indiana University at South Bend, Ivy Tech State College, and Saint Mary's College. With approval and on a space-available basis, Holy Cross students may enroll in courses offered by other N.I.C.E. institutions that are not offered at Holy Cross College. The student wishing to enroll in a N.I.C.E. class submits the request to his/her advisor. After approved by the Senior Vice President, the student obtains the form from the registrar's office on the first class day of the semester. No additional tuition is charged to students in N.I.C.E. courses (some course fees may be assessed). Students at Holy Cross College must be enrolled full-time to participate and may take one class per semester from a N.I.C.E. institution.

NON-DISCRIMINATION POLICY

Holy Cross College complies with applicable federal and state statutes related to institutions of higher education, including all federal and state nondiscrimination laws. It is the policy of Holy Cross College to provide equal opportunity to employees, candidates for employment, students, and applicants for admission. Holy Cross College is committed to creating and maintaining a positive learning and working environment. It does not discriminate on the basis of race, color, national or ethnic origin, disability, veteran status, age, or sex in its education programs or activities.

Inquiries or complaints concerning the application of the college's nondiscrimination policy may be directed to the Office of the Vice President for Administration, Attention: Mr. Mark Mullaney, Holy Cross College, Notre Dame, IN 46556, 574-239-8405. Formal grievances must be submitted in writing within 180 days of the alleged occurrence. Grievances will be immediately and fully investigated once reported. Any person found to have violated this policy shall be subject to prompt and appropriate disciplinary action.

REGISTRATION

Students are required to register for classes for each semester or session by the time indicated in the academic calendar. A student who has any "hold" issued by the college is not permitted to register for the subsequent term.

REPEATING COURSES

A student may repeat a course for a higher grade. The student's permanent record will include the grades of both attempts in the course. The grade earned in the most recent attempt in the course is used in computing the grade point average.

RESERVE OFFICER TRAINING CORPS (ROTC)

An agreement existing between Holy Cross College and the United States Air Force and Army Reserve Officer Training Corps (ROTC) detachments at the University of Notre Dame that permits students attending Holy Cross to affiliate with the ROTC program and to take courses in military science and aerospace studies. After the student contacts the ROTC detachment and is assigned to a course section, the advisor adds the course to the student's HCC class schedule. The credit earned is recorded on the student's Holy Cross College record and is included in their grade point average. Credits earned in these courses are valid for ROTC programs in any college offering the program.

TRANSCRIPTS

Current and former students may request copies of academic transcripts from the Office of the Registrar. There is no fee for current students, nor for students who have received a degree from Holy Cross College. The student must sign a written release before the transcript will be forwarded. Official transcripts will ordinarily be sent by mail and can be requested from the registrar's office. *Transcripts will not be*

released if the student has a financial indebtedness to the college or has not fulfilled all specified policies and regulations of the college.

TUITION AND FEES / TERMS OF PAYMENT

All tuition and fees are payable at the beginning of each semester. The college accepts cash, checks, Visa, MasterCard, Discover, and American Express as appropriate means of payment. Additionally, electronic payments directly from a checking account, savings account, or credit card are available at http://www.hcc-nd.edu/students/financial_aid/. Credit card payments may also be made using the web portal. One time or periodic payments may be set up.

Failure to meet financial obligations, which also includes library, parking, and disciplinary sanctions, will result in the college withholding official transcripts, prohibiting further registration, canceling registration if already granted, withholding further forms of financial aid and, when necessary, legal action.

WITHDRAWAL

Withdrawal from a class. After the add/drop period, a student may withdraw from a course using the course withdrawal form. Two important dates for withdrawing from a course are announced on the academic calendar. The first date is for withdrawing from a course with a W (*withdraw*) recorded on the transcript. This date is noted in the academic calendar and is usually one week after the distribution of mid-semester grades. Up to this date, a student may withdraw from a course for any reason, and the W is not included in computing grade-point averages. The second date is for withdrawing from a course with a WP (*withdraw passing*) or WF (*withdraw failing*) recorded on the transcript. This date is the last class day of the semester. If a student is passing a course and decides to withdraw up to the last day of classes, the withdrawal is recorded as a WP on the transcript and is not calculated in grade point averages. If a student is failing a course and decides to withdraw on the last day of classes, the withdrawal is recorded as a WF on the transcript and is computed as an "F" in grade point averages. The determination of the WP/WF designation is at the discretion of the faculty member teaching the course.

Withdrawal from the college. If, after registration for a given semester, a student determines that it is necessary to withdraw from the college, the student must notify her/his academic advisor. Notification may be by email, letter, or fax. This procedure ensures that the student is properly advised pertinent to the withdrawal process, the effect on the tuition and other fees, readmission process, etc. *Students who receive financial aid are strongly urged to discuss the implications of their withdrawal with the Director of Financial Aid.*

Tuition Refunds. If for any reason a student withdraws from the college during a given semester, refunds will be made according to the following table:

Fall 2009 Semester

<u>Withdrawal is completed</u>	<u>Refund will be</u>
Before the start of classes - August 28, 2009	100% Tuition and Fees*

February 1 – 5, 2010	25% Tuition Only

Financial Aid Recipients. Student Financial Aid eligibility is recalculated for students who withdraw, drop out, are dismissed, or take a leave of absence prior to completing 60% of a semester or term. Recalculation is based on the percent of aid earned using the following formula established by law:

Percent Earned = the number of days completed up to the withdrawal date* divided by the total days in the semester. Federal aid is returned to the government based on the percent of unearned aid using the following formula:

Aid to be returned = (100% - percent earned) times the amount of aid disbursed toward institutional charges. When aid is returned, the student will owe a debit balance to the college, and may also be responsible for a return of unearned aid to the government. The student will not be eligible for financial aid at another institution until funds are returned. The student is responsible for making arrangements with the Business Office for resolving any owed balance.

* *The withdrawal date is defined as the actual date the student began the college's withdrawal process, the student's last date of recorded attendance, or the midpoint of the semester for a student who leaves without notifying the college.*

*“Plan carefully and you will have plenty: if you act too quickly,
you will never have enough.”
Proverbs 21:5*

EMERGENCIES AND CAMPUS SAFETY

In case of an emergency, dial **911**. You **MUST identify exactly where you are on campus** (i.e., Holy Cross College, James Hall, 2nd floor, room #), or the emergency crew may not be able to find you. Caller ID at the dispatcher's office will only identify your general location as Holy Cross College.

EMERGENCY CONTACT INFORMATION

Holy Cross College has initiated an emergency response system which will be used exclusively to inform students by email and voicemail of any emergency that may arise on campus. In order for the system to be effective each student is to submit at the time of registration an emergency contact number via a communication device i.e. cell phone, blackberry, local phone, etc. Without this emergency number the college cannot guarantee students will be contacted when an emergency arises. Students are to submit the following information: *Student ID, Legal Last Name, Legal First Name, emergency contact device with appropriate contact number* i.e. cell phone 312-456-3278. The emergency response system will be tested at the beginning of each term. An announcement will be made via the college email system when the test will be made. Students not receiving the test emergency notice should contact Br. Charles Drevon, in the IT Office, to give their emergency information to him. It is the responsibility of the student to supply this information to the college.

HAZING POLICY

Holy Cross College is committed to an environment of respect and to making sure that all students are welcomed to all activities by means of positive group- and team-building activities that respect the dignity, safety, and well-being of individuals, including their rights to participate voluntarily without any pressure. Holy Cross College forbids hazing and any other form of inappropriate student initiation activity. Hazing is defined as any activity expected of anyone as an explicit or implicit condition of initiation or entry to, affiliation with, or continuing association or membership with a group or organization, that humiliates, degrades, abuses, threatens, or causes a reasonable person to feel threatened, or endangers another, regardless of the person's willingness to take part.

Hazing is regarded as a violation of the Code of Student Conduct, and depending on the context and circumstances, hazing may also constitute harassment, and/or sexual harassment. Examples of prohibited hazing and initiation include, but are not limited to:

- Cursing or profane language
- Wearing embarrassing clothing
- Tattooing, head shaving, piercing, or branding
- Mocking or degrading any individual or social group
- Disrobing or appearing nude in a public or private place
- Engaging in, or simulating, sexual acts
- Providing personal service to senior members
- Making prank or harassing calls or other such electronic communications
- Consuming alcohol or illegal drugs
- Deprivation of sleep, food, or hygiene
- Requiring consumption of any food, drink, or other substance
- Requiring participation in physical activities, such as calisthenics
- Paddling, whipping, beating, or kicking
- Including or excluding certain individuals based on specific characteristics

All participants in a hazing incident may be found in violation of the code of student conduct.

HEALTH SERVICES

Holy Cross College and Saint Joseph Regional Medical Center have a cooperative arrangement to offer primary care health services to Holy Cross College students. Students who choose to take advantage of this service should contact the Associates in Family Medicine (AFM) at 574-237-7890 to schedule an appointment. An on-call physician is always available for after hours and weekend coverage. Students are asked to present complete insurance information upon receiving medical care through AFM.

The college health clinic is located at the south end of Anselm Hall and is staffed. Office hours are Mondays, 9:00 a.m. to 11:00 a.m., Tuesdays, 1:00 p.m. to 4:00 p.m., and Thursdays, 9:00 a.m. to 11:00 a.m. by a licensed registered nurse.

ID CARDS

All students receive a photo identification card at the beginning of the academic year at the time of enrollment. This card has a library bar code that is valid for the Holy Cross, Notre Dame, Saint Mary's, and Bethel College libraries. It is the responsibility of each student to obtain a Student ID no later than the first week of the semester. It must also be presented when dining at the Holy Cross and Saint Mary's College cafeterias. No more than three meals will be served to students with lost ID cards. The student ID card is proof of a student's status. It must be carried at all times, and must be produced whenever requested by a college official.

It is the responsibility of the student to report lost or stolen ID cards to the Business Office. A new card will be issued upon payment of a \$25 fee, or that fee being assessed to the student account. If it is not reported and another individual uses the card, the student in whose name the card was issued is still responsible for any activity on that card. Because it could take up to two weeks before the new bar code is registered into the ALEPH library system, a student will lose the ability to check out books until a new card is issued.

LIBRARY

The McKenna Library, which is available to all members of the college community, is located in the east wing of the Driscoll Building. The library is intended for research and study, leisure reading, and browsing. Library staff members are available to assist students in locating information.

During the regular school year, the library will be open on Sunday 1:00 p.m. to midnight., Monday - Thursday 8:30 a.m. to midnight., on Friday 8:30 a.m. to 4:30 p.m., and Saturday 1:00 p.m. to 5:00 p.m. The library is closed on college holidays and during most vacation periods. Hours will be posted for summer sessions.

Drinks in covered containers and pre-packaged snacks may be brought in to the library. Meals and delivery of food from outside vendors are not permitted in the library.

The McKenna Library is committed to maintaining an atmosphere conducive to research and study. Individuals are asked to respect the rights of all library users and to keep their voices at a low conversation level. Cell phones should be used only outside of the library. The mezzanine of the library is designated as the 'quiet study area' in the library where individuals are asked to refrain from talking or disturbing others.

Holy Cross College allows students to print up to 300 pages in black and white per semester through any of the network printers at the college, including those in the library. Any student who surpasses their printing quota should visit the Business Office to purchase additional pages.

With your HCC bar-coded ID card, you may use the libraries of the University of Notre Dame, Saint Mary's College, and Bethel College. This privilege is contingent upon your adherence to the policies and regulations of those facilities.

Library Regulations and Policies:

1. All books must be checked out at the circulation desk. They may be returned either to the circulation desk or placed in the book return box located in the Vincent Hall walk-way. Your bar-coded ID card is required for checking out books. Each borrower is fully responsible for every book borrowed on his or her ID card.
2. Ordinarily, books may be borrowed for 28 days; however, they may be renewed unless another student has submitted a request for the book. The due date for the return of each book is stamped on the "date due" slip in the book. A fine may be assessed on overdue books. Books should be returned to the circulation desk or book return box and not to the shelves.
3. Failure to return books, or to pay the replacement cost of the books lost, will result in a charge being assessed on the student's financial account. ***If a balance is shown on the student's account at the end of the semester, no grade report or transcript will be released.***
4. Students may request a recall for a book that has been checked out by another person. Notice will be sent to the student when the book has been returned and is available for circulation.
5. Faculty members may place selected books or other items on reserve. Reserve items in print format are available at the circulation desk. Items in eReserve format are accessible through the McKenna Library Moodle. Items reserved by an instructor are subject to the instructor's regulations and must be used in the library.
6. Reference books and periodicals are non-circulating and are for use in the library. However, for special reasons, after consultation with the librarian, some reference sources may be signed-out for overnight.
7. ***FINES:*** It is the responsibility of the student to return materials on time. A fine will be assessed on materials not returned by the date stamped on the date due slip. Notice will be sent when material becomes overdue. When material is 4 weeks overdue, the items are considered "lost" and appropriate billing will take place.

8. Full fines and service penalties are applicable for materials not returned by the end of the academic semester.

Fines are payable in the business office. For lost material, the fine accumulates until material is personally reported lost to the librarian. The student will be required to pay the cost of replacing the book. Unpaid library fines will result in the withholding of grades.

"The man who does not read good books has no advantage over the man who can't read them."

Mark Twain

LITTERING

Littering shows disregard for the college and other members of the community. Please be considerate and place your litter in the appropriate receptacles. Violators are subject to disciplinary action, including fines.

LOST AND FOUND

Lost and found inquiries are to be made at the Vincent reception desk. The college declines any responsibility for the loss of, or damage to, a student's personal property.

LOUNGE

For the convenience of the students, vending machines are located in the Vincent lounge. Snacks and refreshments are to be confined to the Vincent and Driscoll Lounges.

Your presence in a public area will be deemed your permission to film or photograph you. If you would not like your image used, please contact the director of marketing and public relations at 574.239.8408.

NETWORK USAGE POLICIES

It is the general policy of Holy Cross College that all computing facilities are to be used in a responsible, efficient, ethical and legal manner in accordance with the Mission of Holy Cross College. The person in whose name an account is issued is responsible for its proper use. Acceptable uses of the network are activities which support learning and teaching. Deliberate attempts to degrade or disrupt system performance will be viewed as a serious offense.

Failure to adhere to this policy may result in temporary or permanent revocation or suspension of the offender's privilege of access. The amount of time of the revocation or suspension will be determined by the offense. Serious or repeat violations will be referred to the Dean of Students for disciplinary action. The Holy Cross College IT Department will monitor student access to network services to assure compliance with this policy. Any revocation or suspension of network privileges beyond one month in length can be appealed before the Dean of Students.

Examples of unacceptable uses of the network include but are not limited to the following:

1. Spreading computer viruses. Students must use anti-virus software and allow it to update itself to provide protection against virus attacks. Removing anti-virus software or not allowing it to update to the latest definition files will result in students losing access to the college's network and Internet connection. Students may be required to use the college's anti virus software and uninstall any anti virus software they may have on their computers.
2. Keeping the computer's operating system software updated with the latest security

patches and windows updates is a must. Students not maintaining their computers with the latest security patches and windows updates will lose access to the college's network and Internet connection.

3. The following are strictly prohibited:
 - a) Setting up a separate LAN on the college campus whether this LAN be a wireless or hard wired
 - b) Using hubs, routers, switches or other network hardware within or among dorms or dorm rooms
 - c) Setting up your own server whether that server be on ResNet or within or among dorms or dorm rooms
 - d) Running server services e.g. DHCP, IIS, Apache, WINS, or other such server services which would disrupt the college network
4. Using profanity, obscenity or offensive language in e-mail messages, chat rooms, bulletin boards, etc.
5. Using another person's e-mail address
6. Re-posting personal communications without the author's prior consent
7. Sending messages to a third party under another person's e-mail address
8. Sending anonymous e-mail messages
9. Using the Holy Cross College computer network for the illegal retrieval, storage, or distribution of copyrighted materials. All users of the network must follow established standards regarding the use, printing, and sharing of copyrighted materials. Appropriate permission must be obtained when including copyrighted or trademark material such as text, photographic images, music and sound files, video, or graphic illustrations in any electronic publication or over the network. If further clarification is needed, please check with the librarian on the Copyright Law of the United States.
10. Using the network for financial gain, commercial or illegal activity
11. Using another person's network, email, or portal account
12. Using the network to access material, individual contacts or communications which are inappropriate and not of educational value in the context of the mission of Holy Cross College.
13. Changing lab and classroom computer configuration, saving files on lab computer hard drives, and willfully damaging computer lab and classroom equipment
14. Using the college computer network for harassment purposes – violators will immediately be referred to the Dean of Students for prompt disciplinary action

Connection to the HCC Network: Each student that wants network access with their personal computer must have a valid network account, protection by up-to-date anti virus software, protection by up-to-date anti-spy-ware software, and all security patches and windows updates applied to the operating system. Failure to comply with these conditions will result in a student losing access to the network and Internet. When a student plugs into a network port or uses a wireless connection they will be presented with a set of web pages that will require an authenticated logon and analysis of their computer to comply with the college's policies. If a student's computer does not comply with these policies they will be instructed what to do in order to comply. Following the instructions should insure that the college's policies are satisfied. If a student is having trouble following these instructions he/she should call the IT Help Desk or check with the person manning the Help Desk located in the computer lab.

The IT department also discourages the use of peer-to-peer (P2P) networking and may require that these programs be uninstalled from the student's computer or blocked by the network. The reason for this is not only protection of the college's network, but the student's protection as well. Many viruses and spy-ware software are unknowingly downloaded from these sources. The IT Department wants to provide the best secure service to the student. Students may be required to logon to the network daily, each time they connect to the network, or after a certain amount of computer inactivity.

Student E-mail and Portal Accounts: The Holy Cross e-mail account is the primary source of communication between the college and the student. All students are required to check their e-mail daily when classes are in session, and to maintain their account for e-mail delivery. Regularly purging your e-mail boxes of old or out dated e-mail is a must. Warnings are given when your e-mail account is becoming full. When purging your e-mail boxes be sure to empty the Inbox, Sent Items, and Deleted Items boxes to assure that you have sufficient space for messages. Resident students using the college's phone system can retrieve their voice mail both from their phone or e-mail Inbox.

Portal accounts are issued to provide students access to their academic record kept by the college's administrative software package. Class schedules, grade reports, billing information, etc. are obtain via the portal. Students are cautioned to keep their user name and password secure since these records are accessible via the Internet. Hard copies of schedules or grade reports will not be issues by the college. It is up to the student to obtain these via the portal.

Network Printing Account: Printing done on network printers will be monitored and charges will be made against each students printing account. At the beginning of the fall and spring semesters each student will be given \$15.00 worth of printing to be used against any printing done on network printers located throughout the college campus. Graphic Design students will be given an addition \$10.00 to cover the cost of color printing for the Graphic Design course. Black and white printing will be charge at a rate of \$0.05 per page and color printing will be charged at a rate of \$0.50 per page. Printing of PowerPoint presentations will not be permitted because of the amount of toner or ink used by this program. Printing jobs over 20 pages will not be permitted at any time to prevent excessive Internet printing. Jobs over 20 pages should be broken into segments of no larger than 20 pages at a time. Each student can determine the amount of money in their account by moving their mouse pointer over the print account icon located on the right side of the task bar. Adding funds to the account is accomplished by checking with the Business Office. A minimum of \$2.00 is required when a student puts money in their account. Money left in the account at the end of the semester will not be refunded or carried on to the next semester. A new account will be established for each student at the beginning of each semester.

Student Web Pages: Students may request web page space on the college's web server for personal use from the IT Department. See the Help Desk in the computer lab to sign up for this service. With the privilege of web space comes the responsibility to use that space in accordance with the Mission of Holy Cross College.

Standards of intellectual and academic freedom that apply to traditional media also apply to publications in computer media. These publications (since they are open to public review) must be appropriate and in good taste. The Holy Cross IT Department will revoke the student's web page privilege and remove his/her account from the server if:

- The information presented on the student's web page involves illegal activity, commercialism, improper use of copyrighted material in any form, or use of software in violation of license agreements.
- The web page contains information or programs that in some way endangers computing resources of the college.
- The web page contains information or references about other students, faculty, or staff members which is considered inappropriate, involves the use of obscene, bigoted, or abusive material or information, or is not in compliance with the legal and ethical standards for network usage.

Telephone Service: Telephone service is provided by the college through the college's network via IP telephony. Each resident has the option of using their cell phone as the point of contact with the college or may check out an IP telephone from the Office of the IT Director. Students using the college phone system will be assigned a phone number and voice mail box at the time of registration. Voice mail messages can be retrieved via the IP phone or student's college email inbox. Each student using the college phone system is responsible for picking up and returning the phone to the IT Department. Phones may be picked up at registration time and returned before the student leaves campus. Phone cards or other long distance service must be used for long distance calls. If the phone is damaged or not returned the student will be charged for the replacement cost of the phone. Any student using the college phone system will take the phone with them when and if they change rooms. Students may use the same phone for both semesters. Any problems with phone service should be reported immediately to the IT Department. Each resident student, whether they use the college's phone or their own cell phone, must register their phone number with the resident hall staff. Non-resident students must submit current phone numbers to the college receptionist.

ID Cards: All students receive a photo identification card at the beginning of the academic year at the time of enrollment. It is the responsibility of each student to obtain a Student ID no later than the first week of the semester. This card has a library bar code on the back which is valid for the Holy Cross College, Notre Dame, Saint Mary's and Bethel College libraries. It is also used for the cafeteria at Holy Cross and Saint Mary's Colleges and must be presented when students use the café for meals. No more than three meals will be served to resident students with a lost ID card. The student ID card is to be carried at all times while on campus. It is used as proof of a student's status at Holy Cross College and must be produced whenever requested by a college official. If a student loses their ID card a new ID card will be issued upon payment of a \$25 fee. This fee must be paid at the Business Office. As a result of a lost ID card a student may lose their ability to check out books from ALEPH library system at Notre Dame, Saint Mary's or Bethel until their new information can be registered with the ALEPH system. This may take several weeks.

PARKING AND DRIVING REGULATIONS

For the safety of all Holy Cross College community members, *the speed limit on campus is 15 mph*. Please drive slowly and with care on the campus roads, as pedestrian traffic has the right of way.

All students are required to register their vehicles and to display a current Holy Cross College parking decal in the lower front driver's side windshield. Decals must be clearly visible. Students who fail to display Holy Cross College parking decals are subject to fines, employment of wheel locks, and/or towing. Decals are available in the business office and are not transferable to other vehicles without prior authorization from the Dean of Students. The first decal issued is free of charge. Additional or replacement parking decals are available for \$30.00 each. Students may not park in faculty-staff or visitor parking spaces, or in restricted areas. In compliance with fire safety regulations, parking is not permitted in the driveway areas. Visitors who will be parking at Holy Cross College during business hours (6:00 a.m. – 4:00 p.m.) must obtain a temporary parking permit from the Business Office (Vincent 157). Visitors and commuters are to refrain from parking in the west lot Mondays through Fridays, 6:00 a.m. to 4:00 p.m. Commuter students are to park only in the front lot, just east of the arch. Resident students may park only in the back lot west of Vincent/Driscoll Halls. Improperly parked vehicles are subject to fines, employment of wheel locks, and/or towing. The college will not be held liable

for damage to vehicles by drivers attempting to move vehicles with wheel locks installed.

All recipients of traffic/parking citations must contact the Dean of Students at safety&security@hcc-nd.edu within 72 hours of the citation. Be sure to provide the following information:

1. *Your name*
2. *Citation number from the top right side of your ticket*
3. *You may elaborate if there are any mitigating circumstances or other pertinent information that may help explain the reason for being issued this citation.*

Failure to comply with the above directive will result in further disciplinary action, which may include fines and loss of parking/driving privileges on the Holy Cross campus.

Vehicles will be ticketed, wheel locked, and/or towed for violations of the above regulations. Records are maintained in the Business Office. Excessive parking violations may result in loss of parking privileges. The college declines any responsibility for the loss of, or damage to, student vehicles using the college parking lot.

PERSONAL PROPERTY

The college assumes no financial responsibility for damage to or loss of personal property of students nor does it carry insurance on the personal property of students. If a student is not covered by the parents' policy, he or she may check with any general insurance agency for details for securing such insurance. The safekeeping of personal property is the responsibility of each student. Students are encouraged to clearly mark personal possessions and maintain records of serial numbers to discourage theft. Thefts should be reported immediately to Campus Security (239-8312).

PFEIL RECREATION CENTER

All students are required to present their valid student ID card at the main desk to gain access into the building. By checking in, you agree to comply with all the rules and regulations listed in the Pfeil Center brochure found at the main desk. All strength and conditioning facility users are expected to comply with the facility's requirements. Failure to do so may result in disciplinary action, which may include loss of privileges. Improper use of equipment and horse play will not be tolerated. Consult your physician to determine if it is appropriate for you to begin an exercise program. DO NOT begin an exercise program without determining from your physician what restrictions, if any, apply to you.

Located in the Pfeil Center are the offices of the Athletic Department (239-8335), the Sports Information Director (239-8314), the Athletic Trainer (239-1067), the Student Activities Director (239-8343), and the Student Activities Offices (239-8321).

RECORDS ACCESS/RELEASE OF STUDENT INFORMATION

In accordance with the Family Educational Rights and Privacy Act of 1974, HCC students have the right to review, inspect and challenge the accuracy of information kept in a cumulative file by the institution unless the student waives this right. Student records, both academic and disciplinary, may not be made available to unauthorized persons on-campus, nor may they be given to any institution or individual off-campus without the written authorization of the student. The college is permitted, but not obligated to release to parents information regarding their student's conduct violations involving "acts of violence," and the use of drugs and/or

alcohol. Students are expected to keep parents informed of both academic and conduct issues.

The following student information may be released by the college as directory information: name, address, telephone listing, date and place of birth, curriculum and major field, dates of attendance, degrees received, and the most recent previous educational agency or institution attended by the student. If students wish that the college NOT release any or all of the above information, they must inform the Registrar in writing no later than the close of the drop/add period, first semester. New students entering the college other than first semester must submit such a statement at the time of registration.

RECREATIONAL SPORTS AND FITNESS

Students may utilize campus athletic facilities and participate in the intramural and/or club sports programs at the college under the following conditions:

1. The student must be covered by medical insurance
2. The student must complete and sign a Medical Consent and Release form showing proof of insurance.
3. The student must complete all the required forms before participating in an activity.

The purpose of the intramural and club sports programs is to encourage participation in recreational sports and to facilitate social interaction among students through sporting activities.

Sports are restricted to appropriate facilities. No ball-sports should be played in parking lots. No sports should be played indoors.

“Don’t you know that your body is the temple of the Holy Spirit, who lives in you and who was given to you by God? You do not belong to yourselves but to God; He bought you for a price. So use your bodies for God’s glory.”
1 Corinthians 6:19,20

RECYCLING

Students are encouraged to be good stewards of their environment; therefore, they are encouraged to recycle bottles and cans, cardboard, and paper. All residence halls and common areas such as the Student Union, the Vincent and Driscoll Lounges, and the Vincent Atrium have large green containers into which all the materials should be placed.

“...He formed and made the earth – He made it firm and lasting. He did not make it a desolate wasteland...”

REPORT OF CRIME ON CAMPUS

Any member of the Holy Cross College community who witnesses a crime on campus should report the crime immediately to a college security official. In accordance with the Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act, Holy Cross College publishes and disseminates an annual campus security report. The report is submitted to the Department of Education in October of each year and can be accessed at <http://www.opc.ed.gov/security/instDetail.asp?UNITID=150774> or via the Holy Cross College web page by clicking *About HC*, then *Security Statistics*. A hard copy of this report is available upon request in the Office of the Dean of Students.

REPORT OF A THREAT

Members of the Holy Cross College campus community are highly encouraged to bring forward information about any activity that evokes concern about possible targeted violence. Those having information about threatening statements, writings, and behavior that indicates that an attack is being planned, or attempts to acquire weapons for such an attack, are instructed to contact Mr. Cochran, Dean of Students at 239-8409 or dcochran@hcc-nd.edu immediately. If an attack appears imminent, call 911 and Campus Security (239-8312).

RETALIATION

Threats or other forms of intimidation and/or retaliation against an individual for bringing a complaint of any alleged violation of College policy are prohibited. This includes threats or other forms of intimidation and/or retaliation against the family or friends of an individual who brings a complaint, those who assist in bringing a complaint, or those who participate in an investigation and/or student discipline process for an alleged violation of College policy. Students who knowingly make false accusations will be subject to disciplinary action. All incidents that are believed to constitute retaliation should be reported immediately to the Dean of Students.

SECURITY AND EMERGENCIES

The Campus Safety Office is located on the first floor of Basil Hall. To reach campus safety you may call 239-8312 (312 from an on-campus phone) or 274-2646 (cell phone).

In case of an emergency, dial **911**. You **MUST identify exactly where you are on campus** (i.e. Holy Cross College, James Hall, 2nd floor, room #), or the emergency crew may not be able to find you. Caller ID at the dispatcher's office will only identify your general location as Holy Cross College.

SEXUALITY CODE

Sexual abstinence for unmarried students is an expectation that is consistent with the college's Catholic educational mission. Non-marital sexual activity is in opposition to the Church and is not permitted. Students found in violation of this policy may be subject to expulsion from the college. Closed door visits by members of the opposite sex may lead to a reasonable conclusion that the sexuality code has been violated.

Pornographic material threatens human dignity and the sanctity of human sexuality. Pornographic materials and NC-17 or X rated videos are not permitted on the Holy Cross Campus.

"So God created human beings, making them to be like himself..."
Genesis 1:27

SEXUAL ASSAULT AND HARASSMENT POLICY. See Addendum A.

SHARED FACILITIES AND SERVICES

The privilege of using any of these library facilities may be had by presenting a valid Holy Cross College ID card.

Conveniently located computer terminals in the McKenna Library allow students and faculty to have direct access to the collections at Notre Dame, Saint Mary's, and Bethel as well as libraries across the country. This vast information system is

available to all Holy Cross College students and faculty, and is accessible through the college network.

SMOKING

Smoking is prohibited in all college buildings, entrance areas, and sidewalks. Smoking is permitted only in designated areas and smokers are required to make appropriate use of receptacles. Violators are subject to disciplinary action, including fines.

STUDENT CONDUCT

Holy Cross College presumes a high moral character and an attitude of self-respect in its students regarding such matters as discipline, integrity, and personal behavior. To uphold what is considered an atmosphere conducive to study and acceptable personal standards, the college reserves the right to discipline, suspend or expel any individual whose conduct on or off campus is considered not in keeping with the standards of the college, and the Catholic Christian tradition of Holy Cross. All college officials have the authority to respond directly to violations in this Code of Student conduct.

Student conduct off campus is considered to be particularly important when students represent Holy Cross College in an official capacity, such as on college sponsored trips, conferences, athletic events, etc.

Behaviors for which students are subject to discipline include, but are not limited to:

1. Dishonesty such as cheating of all kinds, plagiarism in written or oral reports, unauthorized possession of examinations, knowingly furnishing false information, forgery, alteration or misuse of official documents, records or identification.

2. Obstruction or disruption of teaching, administration, disciplinary procedures, or other college activities.
3. Physical abuse of any person on college-owned or controlled property, physical abuse of any person on or off campus, or conduct which threatens or endangers any such person.
4. Theft of (actual or attempted) or damage to property.
5. Unauthorized entry to or use of college facilities.
6. Violations of college policies and regulations including, but not limited to, those concerning traffic and parking, alcoholic beverages, and drugs.
7. Violent or abusive, boisterous, unreasonably loud or otherwise disruptive conduct; conduct which is considered lewd or indecent; behavior that breaches the peace.
8. Violations of local, state, or federal laws constitute violations of the student code of conduct.
9. Failure to follow directions or reasonable requests of a college or public official.
10. Continued disruptive behavior.
11. Harassment, threats, intimidation, verbal or written abuse, coercion and/or conduct of any kind that threatens or endangers the health and safety of others.
12. Possession or use of firearms, explosive fireworks, other weapons, or dangerous chemicals on college premises.
13. Arson or the irresponsible use of fire; setting a false fire alarm or issuing a bomb threat; misusing or interfering with the fire equipment, smoke detectors, extinguishers and hoses; failing to follow a fire drill or other emergency procedures.
14. Theft or other abuse of computer time, including but not limited to unauthorized entry into a file to use, read, or change the contents or for any other purpose; unauthorized transfer of a file; unauthorized use of another individual's identification and/or password; use of computing facilities to interfere with the work of another student, faculty member or college official; use of computing facilities to send obscene or abusive messages. (See computer Facilities and Equipment Regulations.)
15. Hazing, to include but not limited to actions taken or situations arranged on or off campus, intended to create mental or physical discomfort, embarrassment, harassment, ridicule, or possible mental or physical injury.
16. Rude or disrespectful behavior toward college officials.
17. Attempting to incite or provoke violations of the code of student conduct.

Being under the influence of drugs or alcohol or the existence of any other mental impairment does not diminish or excuse a violation of the rules. All students are expected to abide by the rules and regulations of other institutions when visiting or participating in any activities of these campuses. Violations of published regulations on other campuses or violations of local laws and statutes while on other campuses will be subject to disciplinary proceedings.

The college's manner in handling student discipline is not a substitute for any civil or criminal action. As citizens in a larger society, students are subject to federal, state and local laws, whether living on or off campus. Disciplinary proceedings may be instituted against a student charged with a violation of law that is also a violation of college policies. College disciplinary proceedings may be carried out prior to, simultaneously with, or following civil or criminal proceedings off-campus. Disciplinary procedures may be instituted even if civil or criminal charges are dropped or were never filed. Where serious breaches of the law are involved, the college may suspend a student pending disposition of the court case. In college student conduct proceedings, a 'reasonable conclusion' standard for findings of responsibility shall be used based on substantial information presented during the disciplinary process. Discovery of additional violations of the Code of Student Conduct during disciplinary procedures will be subject to separate disciplinary action.

*“For he that rejecteth wisdom and discipline is unhappy: and
their hope is vain, and their labors without fruit,
and their works unprofitable.”*

Wisdom 3:11

Procedure for Dealing with a Disciplinary Infraction. Alleged violations of the college's standards of conduct are documented in an incident report, which is filed in the Office of Residence Life. The student conduct officer, ordinarily the Director of Residence Life or other designated staff member, will investigate the allegation and either 1) directly apply a sanction; 2) dismiss the allegation because of insufficient information; 3) refer the incident for a conference; or 4) refer the incident to a Conduct Board. In addition, the student conduct officer may report the incident to law enforcement.

Section 1 – Conference

1. Office of Dean of Students staff member(s) will meet with the student to investigate, discuss, and resolve the allegations. The student may request an opportunity to present witnesses on his/her behalf at the conference, relate his/her side of the incident, and appeal the decision of the administrator.
2. If, after the conference with the student, the staff member(s) find the student responsible for a violation, sanctions may be applied or the student may be referred to a Conduct Board.
3. The student has the right to appeal to the Dean of Students if there was procedural error or if new information not previously known becomes available.

Section 2 – Conduct Board. The Conduct Board is composed of at least three faculty/staff members and one student ordinarily selected from the SGA executive board. The Dean of Students chairs the Conduct Board.

Conduct Boards are closed to the public. All proceedings of the Conduct Board are confidential except as provided by law.

The Director of Residence Life shall notify the student in writing and/or verbally of the date, time and place of the proceedings. This hearing will take place within two weeks of the notice, but not sooner than 24 hours after the notice. The notice requirement may be altered by mutual agreement of the Dean of Students and the student.

The student may elect to be privately counseled by an attorney; however, the attorney shall not be allowed to participate or be present at the conduct proceedings. The student may choose a member from the college community as an advisor. The advisor must be a currently enrolled student or a member of the faculty and/or staff currently employed. The student may present witnesses, statements, or other evidence on his or her behalf, and challenge (via the board chairman) evidence or information provided by witnesses.

If a student's presence constitutes a threat to the safety and well-being of the Holy Cross College community, the student may be temporarily suspended by the Dean of Students, resulting in the student being barred from campus until the Conduct Board.

Section 3 – Conduct Board Procedures. Since a Conduct Board is an important college process, all reasonable procedures must be followed which will insure justice. Precautions shall be taken to protect a student's rights. The Conduct Board shall insure fundamental fairness. Since it is a process of inquiry rather than advocacy, it is not bound to follow the guidelines for a civil or criminal legal proceeding. The Conduct Board may take whatever measures it deems necessary to determine the facts and truth of the case. The Conduct Board shall proceed as follows:

1. The Dean of Students calls the Conduct Board to order, appoints the secretary, and chairs the Board.

2. The secretary, ordinarily the Director of Residence Life, briefs the Board on the facts of the case.
3. The chairman shall advise the student of the charge by reading it and then asking the student to respond.
4. A complete admission requires no further procedure other than to offer the student the opportunity to present at that time any evidence of character or scholarship, bearing upon the extent of the sanction to be determined. The sanction will then be determined by the Conduct Board in executive session (appointed board members only) and relayed to the chairman.
5. A denial or partial denial of the charge by the student requires presentation of evidence refuting the charge.
6. The chairman may admit and give evidence that is helpful so as to arrive at a just decision. The chairman shall exclude irrelevant, immaterial and unduly repetitious evidence.
7. Witnesses may be called in to contribute relevant information. The accused student may be given the opportunity to contest information provided by witnesses.
8. The Conduct Board determines if the student is responsible in an executive session (only the appointed board members).
9. If the Conduct Board finds a student responsible, a sanction is then determined by the Board. The chairman may discuss the decision with the student; however, the Board's decision must be relayed in writing to the student by the secretary within three days of the Board's decision.

Sanctions may include, but are not limited to:

1. Verbal or written reprimand.
2. Restitution, which may take the form of monetary compensation, or of appropriate community services to repair or otherwise compensate for damage.
3. Sanction Pending - a sanction that has been imposed may be held in abeyance for a period of time pending good conduct. Further violations will result in the immediate enforcement of the pending sanctions in addition to the imposition of additional sanctions
4. Monetary fines
5. Community Service for the betterment of the community.
6. Required Assignment/Educational Seminar
7. Confiscation of items prohibited by the college, items which compromise safety, or items creating an annoyance.
8. Residential Life Probation--Warning that continued misconduct may result in relocation within the hall, suspension, or expulsion from the residence hall.
9. Residential life suspension.
10. Residential life expulsion.
11. Loss of college rights and privileges.
12. Disciplinary Probation. This indicates that further violations may result in a more severe disciplinary sanction being administered, including suspension or expulsion.
13. Suspension from the college
14. Expulsion from the college

In accordance with FERPA regulations, parents may be notified of sanctions against the student. Students are expected to complete their disciplinary sanctions by the established deadlines. Failure to complete the sanctions may result in additional sanctions or a disciplinary hold being placed on a student's registration or transcripts.

Appeals. Appeals of disciplinary decisions must be submitted in writing within three (3) working days of written notification. Appeals of conferences and Conduct Board decisions must be based on at least one of the following considerations:

1. The discovery of substantial new information, unknown to the accused student at the time of the conference or board, which, if heard, would likely have changed the outcome of the proceeding.
2. The original conference or board had a substantial procedural defect that rendered the proceeding unfair.

Only appeals from the accused student will be considered. If more than one student is involved in an incident, each student must appeal separately.

Appeals involving academic honesty policy violations are submitted to the Office of the Dean of Faculty. All other appeals are submitted to the Dean of Students. If the original disciplinary sanction was issued by the Dean of Students or a Conduct Board, the appeal is reviewed by the Senior Vice President.

The college official who reviews the appeal may deny the appeal or remand the decision back to the original adjudicating body for further consideration, which may result in the same or a different outcome. Decisions regarding appeals are final.

“Put into practice what you learned and received from me, both from my words and from my actions. And the God who gives us peace will be with you.”
Philippians 4:9

STUDENT COUNSELING SERVICES

College life puts a number of demands on students that can become quite stressful. In addition, personal problems can become overwhelming and begin to affect academic performance. To assist students in addressing such problems, Holy Cross College offers students professional and confidential assistance with a wide range of issues and concerns.

Students may seek counseling services either on or off campus. Students may contact Br. Chris Dreyer, Director of Student Counseling Services, and a licensed clinical social worker, at 574-239-8383. Students may also contact David F. Sonogo, MD, and Associates at 574-271-8222 for off-campus counseling services. Students may receive up to four counseling sessions with a Master’s level therapist free of charge; students seeking the services of a psychiatrist or psychologist in that office are at their own expense. Professional confidentiality will be maintained under the laws of the State of Indiana. Counseling information is considered confidential and will not be shared without the student’s written permission.

Holy Cross College recognizes that many students with diagnosed disabilities, such as physical or learning disabilities, or attention disorders, may need academic accommodations in order to increase the likelihood of academic success. To obtain accommodations, students must specify the kinds of accommodations they are requesting and provide documentation to verify disabilities and their severities. If submitting a prior evaluation, full documentation completed within the past three years is required. This material will be kept confidential and will only be utilized in determining students’ eligibility for services and the level of services required.

STUDENT GOVERNMENT ASSOCIATION

The purpose of the Student Government Association (SGA) is to provide all students at Holy Cross College with the opportunity for socialization, interaction, and leadership development to complement the academic environment of the college. Specific functions of the SGA are executed by the standing committees, which conduct student social events, athletic activities and intramurals, workshops, forums, and community service projects to benefit the social interaction among students and between students and college personnel, as well as to influence college policies that affect student life.

The SGA is composed of the following standing committees:

- | | |
|-----------------------|------------------------|
| Executive Board | Tri-campus Commission |
| Athletics and Fitness | Residence Hall Council |

The SGA operates under the guidance of the Director of Student Activities.

STUDENT RIGHTS

Holy Cross College is an academic community in which all persons share responsibility for its growth and continued well-being. As members of the college community, students can reasonably expect the following:

It does not discriminate on the basis of race, color, national or ethnic origin, disability, veteran status, age, or sex in its education programs or activities.

- The College does not discriminate on the basis of race, color, national or ethnic origin, disability, veteran status, age or sex in its education programs or activities.
- Holy Cross College recognizes the "dignity of the human person" and calls for all members of the Holy Cross College community to act in ways that respect that dignity. The college will neither tolerate nor condone any form of sexually abusive behavior on the part of its community members whether physical, mental, or emotional. This includes any actions that are demeaning to others including, but not limited to, acquaintance rape, gang rape, verbal harassment, or displaying pornographic material. Sexual behavior of any kind that occurs without the full, active and informed consent of all participants is considered to be sexual assault.
- Holy Cross College considers freedom of inquiry and discussion essential to a student's holistic (intellectual, social, physical, spiritual, and moral) development. Thus, the college recognizes the right of all students to engage in discussion, to exchange thoughts and opinions, and to speak on any subject. Students may not incite others to violence, disrupt the educational process, or outwardly oppose the Catholic Christian principles upon which the college is founded.
- Students have the right to participate in the formulation of policy directly affecting students through representation on appropriate committees.
- In all instances of general discipline, the student has the right to due process. Due process, as applied to student-college relationships and the disciplinary process, is equated with fundamental procedural fairness.

STUDENT UNION

The Student Union is located between James and Basil Halls. This facility provides a space for students to meet, relax, and socialize during the course of the day.

TORNADO PROCEDURES

A Tornado Watch or Severe Weather Warning means that tornadoes are possible. Be alert to changing weather conditions and be prepared to take actions if the weather situation is upgraded to a Tornado Warning. Monitor WSBT AM 960 or TV 22 (Holy Cross Channel 3), or WNDU TV 16 (Holy Cross Channel 2) for up to date weather reports.

A Tornado Warning means a tornado has been spotted or indicated by weather radar in the area. If you receive notification of a tornado warning or see a tornado:

1. Take shelter immediately. If there is not basement, go to the center of an interior room on the lowest level (closet, interior hallway) away from corners, windows, doors, and outside walls. Put as many walls as possible between you and the outside.
2. Stay away from windows and areas with large expanse of glass. Do not open windows.
3. Avoid large rooms with free span roofs (auditorium, gymnasium)
4. Do not use elevators.

5. If disabled personnel can not safely move to the lowest level, assist to an interior hallway away from windows and areas with a large expanse of glass.
6. Protect your head and face. If possible, get under a sturdy table or other structure.
7. If in a vehicle, get out immediately and go to the lowest floor of a sturdy, nearby building or a storm shelter.
8. If outside with no shelter, lie flat in a ditch or depression and cover your head with you hands. Be aware of the potential for flooding. Do not get under an overpass or bridge. Never try to outrun a tornado in urban or congested areas in a car or truck. Instead, leave the vehicle immediately for safe shelter. Watch out for flying debris. Flying debris from tornadoes causes most fatalities and injuries.

WEAPONS

Possession of firearms, weapons of any kind, including those for recreational purposes such as pellet and paint ball guns, or explosives of any kind, including firecrackers, is prohibited.

RESIDENCE LIFE

The following information is *in addition to* the policies and services that apply to all Holy Cross College students.

Holy Cross College provides housing for approximately one half of the student population. The residential program is designed to provide a community environment that fosters the intellectual, social, and spiritual development of resident students while supporting the overall mission of the college.

*"Make the way known to me, wherein I should walk: for I have lifted up
my soul to thee...Teach me to do they will, for thou art my God."
Psalm 143:8,10*

RESIDENCE LIFE STAFF

The residence life staff is committed to fostering personal development - academically, socially, and spiritually - in a Catholic, living learning faith community. The residence life staff is composed the Director of Residence Life, hall directors, and resident assistants. The Campus Minister, Chaplain, and Director of Student Counseling and Health Services are also integral to the residence life program.

Resident Assistant (RA). The resident assistant is the closest, most vital link between the Office of Residence Life and residents at Holy Cross College. The RA is responsible for the general welfare and behavior of students in the hall and assists with the administration of that hall. RAs are responsible to the hall director for fulfilling their daily assignments and to the Director of Residence Life for overall job performance.

Hall Director (HD). The hall director is involved in all aspects of residential life programming, counseling, crisis intervention, conflict resolution, student discipline, and administrative procedures commonly associated with the operations of a residence hall. The HD is also involved with the selection, training, supervision and evaluations of resident assistants. The hall director reports to the Director of Residence Life.

Director of Residence Life. The Director of Residence Life is responsible for all policies and procedures pertaining to residence life programs and services and the residence life staff. The director has budgetary oversight for residence fees and hall funds, responsibility for room assignments, inventory and damage reports, and housing contracts. The director advises the Dean of Students on all matters related to residence life and serves as a valuable resource to students, faculty, and administrative staff. The director reports directly to the Dean of Students.

HOUSING POLICIES AND REGULATIONS

Violations of housing policies may also be violations under "Student Conduct" as described in the *Student Services and Policies section of this handbook*.

Absence from Campus. Students are to inform the hall staff if they plan to be away from campus overnight or longer.

Antennae. External antennae and satellite dishes in any form are prohibited.

Bathrooms. All residents and guests are permitted to use only those bathrooms designated for his or her sex.

Bicycles. Bicycles are not to be stored in stairwells, hallways or lounges and may not be brought into the residence halls or rooms. All bikes must be stored in the bicycle racks. To store bicycles in hall storage for the winter, see the hall director. Bicycles found inside residence hallways will be confiscated.

Breaks and Vacations. The residence halls are closed during scheduled breaks and vacations. These include fall break, semester break, and spring break. Students are expected to check-out in person with a member of the hall staff by 8:00 p.m. on the last day of classes or final exams prior to semester break and spring/fall breaks. *Students unable to travel home for Fall, Christmas, or Spring Breaks must make alternative living arrangements outside of the residence halls. During these breaks the Residence Life staff is not available, meals are not served, and students do not have access to their rooms (which are checked for maintenance and safety concerns).* Prior to leaving for vacation, residents should thoroughly clean their rooms, lock windows, and secure valuable items. During semester break, refrigerators must be emptied of all perishables and cleaned. The residence halls will be open during Thanksgiving and Easter breaks, but there will be limited meal service. Non-graduating students must move out each semester within 24 hours of their last exam.

Cohabitation. Cohabitation shall be defined as unauthorized living in a residence hall and/or prolonged or patterned visits that extend beyond the normal understanding of visitation. Rooms are to be occupied only by the resident who resides there. (See **Guests**)

Contract for Residence. In order to live in a residence hall, a student is obligated to adhere to a Contract for Residence, which is an agreement between the individual student and the college. This is a binding, legal document that sets forth the conditions and terms of occupancy and may not be assigned to another person in any way. The student submitting the Contract for Residence is fully responsible for meeting the conditions and terms of occupancy set forth in the document. Before submitting the contract, students are advised to read the document carefully.

College housing is available to full-time students. Continued housing for students falling below full-time status (12 hours) will be at the discretion of the Director of Residence Life and the Dean of Students. Students who withdraw from the College or from all of their classes must leave campus housing immediately.

Living in the residence halls is a privilege. The Director of Residence Life reserves the right to reassign or deny on-campus housing, or requests for room changes, to any student(s) whose behavior is detrimental to the welfare of the residence hall community, to include habitual failure to attend class.

The contract is for one academic year and may be offered for additional years to students in good standing.

Cooking. Cooking in James, Basil, or Anselm Hall rooms is not permitted. Preparation of coffee, tea and cocoa is permitted given students attend a required safety workshop conducted by hall staff. All coffee makers and other appliances must pass safety inspection.

Damages. Students are expected to hold each other accountable for being good stewards of the property and facilities they use. Damage beyond normal wear and tear that has not been accounted for may be billed in equal amounts to the group having responsibilities for those public areas.

Each resident is responsible for keeping his or her room and its contents in good order and free from damage beyond normal wear and tear. Room Condition Reports will be completed by the resident and hall staff at move-in. Before moving out, the room is checked again for damage that may have occurred during the occupant's residency. Damages to the room that are clearly beyond reasonable use will be billed to the responsible individual. Extraordinary cleaning required because of abuse of facilities and excess trash left in the room or in the hall will be at the expense of the residents and will be deducted from their damage deposit. Damages to rooms will be charged as discovered. Residents should expect occasional walk-through safety checks conducted by hall staff. Rooms will be inspected during breaks for maintenance, health, and safety purposes.

Dart Boards. Dartboards are prohibited.

Decoration of Rooms. Students are encouraged to personalize their rooms with plants and favorite items from home. Use only 4 penny nails (standard for picture hanging) or thumb tacks for hanging pictures/posters. Large nails, scotch tape, masking tape, cement, sticky putty, contact paper, and other materials that may damage paint or wood are not acceptable. Flammable materials and live greenery (i.e., Christmas trees) are not permitted. Small UL listed Christmas lights are acceptable. Room decorations that explicitly promote behaviors contrary to Holy Cross values and standards of conduct are forbidden. Prohibited items include, but are not limited to, sexually explicit material, nudity, images of drugs or drug usage, and any reference to drugs. References to alcohol may not be the focal point of room decorations. The Residence Life staff has the authority to determine what is acceptable material.

*"...fill your minds with those things that are good and that deserve
praise: things that are true, lovely, and honorable."
Philippians 4:8*

Doors, Outside. In the interest of safety, main doors leading into the residence halls will be unlocked only at designated times. Propping open outside doors may allow unwelcome strangers into the residence hall. Persons found responsible for propping open outside doors may be fined \$150. Lending of keys and key cards is not permitted.

Electrical Appliances. Electrical appliances that have an open heating element may not be used in residence hall rooms. Toasters, toaster ovens, air conditioners, space heaters, microwaves, hot plates, and the like are not allowed. Halogen lamps are also banned. Small refrigerators of less 2.5 cubic feet, hair dryers, curling irons, computers, printers, radios, TVs, stereos, and fans may be used. Students may use only UL listed cords and surge protectors. Appliances are subject to safety inspection by the hall staff. Hall staff will confiscate unauthorized appliances. Curling irons, straighteners, and irons must be equipped with an auto shut-off feature.

Fire Safety. In the interest of fire safety, open flames, the burning of any substance, and the possession of incense, candles, or oil lamps, in the residence hall is prohibited. Students who fail to evacuate during a fire drill or alarm, or who do not promptly obey the direction of a college or civil official during an emergency, will be subject to disciplinary action. Setting false fire alarms, tampering with or misuse of fire safety equipment will result in severe disciplinary action for all persons involved.

Furniture. Room furniture must be left in the room. Under no circumstances is hall furniture to be moved from common areas. Violation of this regulation is considered

theft and will lead to disciplinary action. Only designated modular furniture may be stacked, allowing proper clearance for ceiling mounted fire safety equipment. Building of lofts is not permitted.

Guests. Occasional overnight guests of the same sex may stay free of charge in the host's room. Overnight guests may stay with (same sex) friends of the student host provided all parties agree. Guests are not permitted to sleep in the residence hall lounges. Students must register their guests with the hall director by 10:00 p.m. Guests must carry with them a guest pass signed by the hall director. Guests may park in student parking areas with a guest parking tag clearly displayed in the front windshield. No guest under 16 years old may stay in the residence hall without permission of the Director of Residence Life. Prospective student guests should contact the Office of Admissions for campus tours and meal ticket for the cafeteria.

While guests are on campus, the student host is fully responsible for the guest's actions. Guests are expected to abide by all college rules and regulations. Failure to do so will result in the guest being asked to leave campus immediately. Guests may stay for a maximum of two days unless the Director of Residence Life authorizes an extension of time.

Hallway, Lounge, Common Areas Conduct. Students should conduct themselves in a mature manner in the hallways, lounges, and other common areas. Out of courtesy for all, yelling, running, and wrestling are not permitted in the common areas. Games such as soccer, Frisbee, football, baseball, golf, rollerblading, etc., or shaving cream and water fights, are not permitted.

Housekeeping and Maintenance Services. Residents are responsible for cleaning their assigned rooms and private bathrooms. The cleaning staff will clean public areas, common restrooms, and showers. The residents are asked to be considerate in the way that public areas are left after use. Health and safety assessments of the residence halls will be conducted at any time to determine if unsanitary or unsafe conditions or unreported damages exist. If such conditions do exist, residents will be asked to correct the problem immediately. Failure to comply will result in a cancellation of the Contract for Residence.

Keys. Each resident student will be issued a key to his/her room at check-in. These keys must be turned in when a student moves out of the room. Keys remain the property of the college and may not be duplicated, modified in any way, or loaned to other persons. Lost keys or stolen keys compromise the safety and security of all residents and should be immediately reported to the Director of Residence Life. The cost of replacing or repairing a lock ranges from \$50 to \$250 and will be paid by the student. The cost of replacing lost building and room keys is \$60 each.

Laundry. Washers and dryers are located in the basement of James/Basil Halls, and on the 1st floor of Pulte & South Halls. These machines are for residents' use only. Report any problems to the Hall Staff

Mail and Packages. A mailbox is located in the Vincent Lounge. Mail is picked up daily, Monday through Friday and is delivered to the USPS the following morning. Stamps may be purchased at the Hammes Bookstore.

US Mail, including Express Mail and Parcel Post, is delivered to the college every business day. Your address should be written as:

Maintenance Requests. The maintenance staff works closely with residence hall staff in making routine repairs in the residence halls. Students needing maintenance service are to notify their hall director. In addition to identifying the problem, maintenance requests should indicate a preferred time for the requested maintenance to be conducted. Maintenance staff is authorized to enter the room and complete the repairs whether or not the student is in the room. Emergency repairs should be immediately reported to the hall staff or to the Director of Residence Life.

Noise and Quiet Hours. Sound carries easily through our residence hall rooms. Loud voices, stereos, televisions, game systems, and other noises can often be heard in the next room or in the room above or below. Residents are expected to show reasonable consideration for those living around them by keeping noise at a moderate level between 10 a.m. and 10 p.m. Unacceptable levels of noise will be treated as a disciplinary matter. Tower style speakers and subwoofers are not permitted. Headphones are required of all residents possessing stereos and other sound systems.

Quiet hours are in effect from 10:00 p.m. to 10:00 a.m. Twenty-four hour quiet hours are in effect during examination periods. The general rule is that if the noise can easily be heard in another room, the sound level must be lowered to a level where it is no longer a disturbance. While quiet hours are in effect, headphones must be used for the playing of all music.

Pets. Students are not permitted to have pets in the residence halls. Students found with a pet will be given notice that they have 24 hours to remove the pet and will face disciplinary action. Seeing eye dogs are permitted.

Personal Property. The college assumes no financial responsibility for damage to or loss of personal property of students nor does it carry insurance on the personal property of students. If a student is not covered by the parents' policy, he or she may check with any general insurance agency for details for securing such insurance. The safekeeping of personal property is the responsibility of each student. Rooms should be locked at all times with valuables properly secured. Students are encouraged to clearly mark personal possessions and maintain records of serial numbers to discourage theft. Thefts should be immediately reported to the hall director or the Security Office.

Refund Policies on Room and Board. No refunds are made on room charges. Certain exceptions to the above-stated policies may be approved by the Business Office in specific instances (e.g., when a student incurs serious injury or illness). Such matters should be referred to the Business Office.

Room Changes. Students requesting room changes will be charged a \$40.00 processing fee. The Director of Residence Life reserves the right to deny requests for room changes.

Room Inspection, Entry and Search. The college reserves the right to enter a student's room to ensure proper maintenance and repair, to provide for the health and safety of the hall residents, and to investigate a possible violation of federal, state or local laws, or college policy. The Dean of Students, or official staff acting in the Dean's absence, will determine if it is appropriate to inspect or search a student's room. All rooms will be inspected during official college breaks.

Sales and Solicitation. Solicitation, sales, and advertising are not permitted in the residence hall without authorization from the Office of Residence Life. Residents are not permitted to run private businesses from their campus residence.

Severe Weather Information. In the event of severe weather, residents are encouraged to seek shelter in the basement between the residence halls, or in the hallway of the first floor of each hall. Security or hall staff may give notice to residents if they are aware of an approaching storm. However, residents should not wait for college personnel to give official notification of danger. South Bend weather information can be called at 574-651-2828.

Shared Responsibility. Roommates share responsibility for violations that occur in their room. All students present during a conduct violation may be found responsible.

Storage. Students may store luggage in hall storage during the academic year. See hall staff for access to the storage room. Limited storage over the summer is available for a small charge.

Trash. All residents are responsible for bagging and removing the trash from their rooms. Accumulated trash in rooms may result in monetary fines. The dumpster for South hall is located behind and just to the north of the apartment building. The dumpster for James, Basil, and Anselm Halls is located behind and just to the north of the maintenance garage. There are also trash dump carts located in the patio vestibule, Basil Hall east vestibule, and the Anselm Hall trash room.

Visitation. To ensure the safety, security, and privacy needs of all residents, there are limited visitation hours in the residence halls. Visitation hours on the residential floors by members of the opposite sex are as follows:

Sunday-Thursday	10 a.m. to 12 a.m.
Friday	10 a.m. to 2 a.m.
Saturday	10 a.m. to 2 a.m.

When students of the opposite sex are visiting in a resident's room, **the doors must remain completely open.** Students may visit in the student union at any hour.

Waterbeds. Waterbeds are not permitted.

Window Screens. Students may not remove window screens at any time. Students will be held responsible for damaged or missing screens. Persons found responsible for removing window screens will be fined \$150.

ADDENDUM A

SEXUAL ASSAULT AND HARASSMENT POLICY 289-HELP (289-4357) - 24-hour help line

Holy Cross College recognizes the “dignity of the human person” and calls for all members of the Holy Cross College community to act in ways that respect that dignity. The college will neither tolerate nor condone any form of sexually abusive behavior on the part of its community members whether physical, mental, or emotional. This includes any actions that are demeaning to others including, but not limited to, acquaintance rape, gang rape, or verbal or written harassment. Sexual behavior of any kind that occurs without the full, active and informed consent of all participants is considered to be sexual assault. The Office of the Dean of Students ensures that educational programming for awareness and prevention is provided.

Whether occurring on or off-campus, the college will assist students in reporting these acts to local police and/or college officials charged with investigating such conduct. Deciding whether to pursue an allegation of a sexual offense can be a difficult choice. A student may wish to consult with his or her hall director, the Director of Residence Life, the Dean of Students, the Campus Minister, the Director of Counseling and Health Services, his or her parents, close friends, or legal counsel. In the end, the decision to pursue charges rests entirely with the student.

Information & Support Services for Victims of Rape & Sexual Assault

A student who has experienced a sexual offense should immediately inform a staff member from the Office of the Dean of Students or Campus Security, or, if the offense occurred off-campus, the local police. Speaking with the police **does not obligate** the student to press charges.

The student should seek medical attention as soon as possible. Even if the victim does not seek immediate attention, it is important to obtain medical care for any potential long-term physical or emotional consequences.

The victim should avoid showering, douching, using the toilet or changing clothes before seeking help at the emergency room as this may destroy physical evidence that will be collected during the exam. The South Bend Police will be contacted, but the victim is **not obligated** to speak with the police. In addition, the victim will have the option of speaking with a volunteer member of the Sex Offense Services (S.O.S.) who has been trained to assist victims of sexual assault.

Victim Options

A victim may wish to seek criminal charges or pursue civil charges. The St. Joseph County Prosecuting Attorney will handle any criminal charges. The victim should seek legal counsel to explore the possibility of civil charges.

A student may wish to file a complaint with the college in addition to or instead of filing a complaint with the local police. Discussing this option with the Dean of Students or the Director of Residence Life **does not obligate** the student to file charges. The student may make this inquiry confidentially without revealing his or her name or the name of the perpetrator or details of the incident. Making a complaint requires the student to submit a detailed written statement which outlines what occurred and names any persons who participated in or witnessed the alleged offense. The alleged perpetrator also will be asked to submit a detailed written statement to the same effect. Based on what the investigation reveals, the Director of Residence Life may handle the matter administratively through a conference or refer the matter to the Conduct Board.

The same procedures governing conferences and Conduct Boards (**see Procedure for Dealing with a Disciplinary Infraction**), with the same possible outcomes outlined above, will be observed along with the two following additional procedures:

1. *The accuser and the accused are entitled to the same opportunities, if any, to have others present during a conference or Conduct Hearing Board.*
2. *Both the accused and the accuser shall be informed of the outcome of a conference or a Conduct Hearing Board.*

Because a sexual offense is a traumatic experience, the student is encouraged to seek counseling services to help his or her recovery. The college offers counseling to students through the Director of Counseling and Health Services. S.O.S. (Sex Offense Services) is a 24-hour rape crisis agency, with both trained volunteers and professional staff to assist recovery through confidential counseling and other support services.

If a student requests, the college will honor changes in class and housing assignment, if reasonably possible and available. Changes should be made through the of the Dean of Students.

"He will give every person what his thoughts and actions deserve. Because of the Lord's mercy, his people will be happy when he has judged their case. In times of trouble his mercy is as welcome as rain after a long drought."
Sirach 35:19,20

CLERY ACT

TIMELY WARNINGS

In the event that a situation arises, either on or off campus, that, in the judgment of the Dean of Students, constitutes an ongoing or continuing threat, a campus-wide "timely warning" will be issued through Holy Cross College's voice mail and e-mail systems which are immediately accessible by all faculty, staff, and students.

Depending on the particular circumstances of the situation, especially one that could pose an immediate threat to the community and individuals, Dean of Students may also post a copy of the notice in each residence hall and at various locations in the Driscoll and Vincent Classroom Buildings.

Anyone with information warranting a timely warning should report the circumstances to campus safety and security officials by office phone 239-8312 (312 from a campus phone) or cell phone (274-2646). The Office of Campus Safety and Security is located on the first floor in Basil Hall.

CONFIDENTIAL REPORTING PROCEDURES

If you are the victim of a crime and do not want to pursue action within the Holy Cross College judicial system or the criminal justice system, you may still want to consider making a confidential report. With your permission, a safety and security officer can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential while taking steps in an attempt to ensure the future safety of yourself and others. With such information the college can maintain an accurate record of the number of incidents involving students, determine if there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

ACCESS POLICY

During business hours, Holy Cross College (excluding certain areas of the residence halls housing facilities) will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours access to all college facilities is by key, if issued, or by admittance via the campus safety and security officers or Residence Life staff. The interior doors of the residence halls are secured 24 hours a day.

CAMPUS LAW ENFORCEMENT

Holy Cross College safety and security officers have the authority to ask persons for identification and to determine whether individuals have lawful business at Holy Cross College. Holy Cross College safety and security officers have the authority to issue parking tickets, which are billed to students' financial accounts. Safety and security officers do not possess arrest power. Criminal incidents are referred to the local police who have jurisdiction on the campus. Holy Cross College's Office of Safety and Security maintains a highly professional working relationship with the Saint Joseph County Police Department, South Bend and Roseland Police, and police at Saint Mary's College and The University of Notre Dame. All crime victims and witnesses are strongly encouraged to report the crime immediately to the Office of Campus Safety and Security and the appropriate police agency. Prompt reporting will assure an appropriate response, which may include timely warning notices on campus and timely disclosure of crime statistics.

PERSONAL AND PROFESSIONAL COUNSELORS

Campus "Pastoral Counselors" (Director and Assistant Director of Campus Ministry) and Campus "Professional Counselors", (Director of Student Health and Counseling Services) when acting as such, are not considered to be a campus safety and security authority and therefore are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.

SECURITY AWARENESS AND CRIME PREVENTION

During orientation in August all students are informed of ways to maintain personal safety and residence hall security including crime prevention and sexual assault prevention information.

Residence Life staff receives training and disseminates information to students on issues such as crime prevention awareness, sexual assault, abuse of alcohol and other drugs, theft and vandalism, as well as issues of personal safety and residence hall security. A common theme of all awareness and crime prevention programs is to encourage students to be aware of their responsibility for their own security and the security of others.

Security phones are located throughout the residence halls and classroom buildings. There is also an emergency telephone located in the commuter student parking lot east of the college.

SEX OFFENDER REGISTRATION

The "Campus Sex Crimes Prevention Act" of 2000 requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders to provide notice to each institution of higher education in that State at which the person is employed or is a student.

In the State of Indiana, convicted sex offenders must register with the Indiana Sheriffs' Sex Offender Registry maintained by the Indiana Sheriffs' Association. Information contained on this site provides no representation as to any offender's likelihood of re-offending or the nature of any future crimes that may be committed. Information in this registry may not be used to harass or threaten sex offenders or their families. Harassment, stalking, or threats may violate Indiana law.

To gain access to information about registered sex offenders in St. Joseph County, visit: <http://www.insor.org/insasoweb/initAdvancedSearchForm.do>.
