

## 2026-2027 International Student Certification of Finances

Name (family/surname, first/given as written on passport)	Common Application ID Number
Mailing Address	Date of Birth (month/day/year)
Email Address	Country of Citizenship

All international students who apply for admission to Holy Cross College must also submit a Certification of Finances at the time of application. This Certification outlines the financial resources that will be used to finance your Holy Cross education.

Admission is ultimately dependent upon your ability to demonstrate sufficient financial support to cover the total projected costs of an undergraduate education. This form does not, however, take into account potential scholarships, and therefore, does not necessarily reflect your net price (out-of-pocket costs).

Strict government regulations require that the College verifies the financial resources of all international student applicants before the I-20 forms can be issued. The I-20 will be used to apply for the F-1 or a change of status to the F-1 status from within the United States. The I-20 will be issued by the College upon admission and confirmation to enroll at Holy Cross College.

Please print your responses to each question completely and accurately. Enter all amounts in U.S. dollars. Complete Sections A through E as appropriate. Return this document and supporting statements/letters to the Office of Admissions as a PDF via email to [admissions@hcc-nd.edu](mailto:admissions@hcc-nd.edu). Note: Annual increases to the cost of attendance are anticipated.
